Cleaners

MarbleLife InterCare
(32oz Concentrate)

Designed for regular cleaning of all your natural and man-made stone surfaces. InterCare delivers non-acidic detergent and surfactants to dissolve oils and debris trapped inside and floating them out where they can be wiped or mopped away - streak free.

MarbleLife Mold & Mildew Remover

Specially formulated to eliminate stains caused by mold, mildew, algae and fungus. Removes odors from grout and tile. Recommended for use in bathrooms, kitchens, cellars and other damp areas where mold and mildew may form.

Lithofin DCC
Daily Cleaner/Conditioner

A concentrated maintenance cleaner/conditioner, cleans without the use of harsh bleaches while leaving conditioning agents behind. As an acid free cleaner/conditioner, LITHOFIN DCC may be used on all natural stone including polished marble.

VMC 30 Stone Conditioner
(32oz Concentrate)

An organic non-flammable detergent specially formulated for the deep cleaning of marble & other natural and man-made stone surfaces. VMC-30 is composed of penetrating and conditioning agents that literally lift the dirt from porous surfaces without harming polished surface finishes.

MB Stone Care MB-3
Soap Film Remover

Specifically designed to get rid of unsightly and unsanitary soap film, scum, and hard water deposits effortlessly and without damaging the polished surface of your stone shower stalls. It works also great to clean the inside of that glass shower door from those hard-water deposits!

Lustro Italiano Cleaner and Polish Kit

Contains 32oz stone cleaner & 13.5oz aerosol stone polish. Lustro Italiano Stone Cleaner contains zero harsh detergents that can strip away stones natural polish. Lustro Italiano Stone Polish has a sealer added. If used on a regular basis, the countertop will never need to be resealed.

Maintenance

Tenax Stone Way
TeClean Stain Poultice Powder

By utilizing the stain process reversal technique, Te-Clean draws the stain out of the stone. Designed to remove stains such as oil, grease, wine, tea, coffee, and other organic stains out of granite, marble, travertine, limestone, terrazzo, concrete, brick, sanded grout, etc.

Tenax Stone Way
TeEtch Etch Remover

TeEtch polishing compound is a combination of specially formulated polishing powders designed specifically to remove etch marks, water rings, water marks, dull spots, and even light scratches on marble, travertine, limestone, alabaster & onyx stone.

Tenax Hydrex
Polished Stone Sealer

Hydrex is a penetrating sealer that prevents liquids (stains) from penetrating into the material. It is especially affective on polished granite and polished marbles. Hydrex may be used both in and outdoors (UV stable). Hydrex operates on the surface of materials.
